2. Will there be handles in the 8 blocks?

Production Meeting
Notes

Date: Wednesday, June 23, 2021

Time: 12:00pm

Attendance: Mannon McIntosh, Jeff Block, Marissa Council, Bridgett Vanderhoof, Sophia Lane, Christina Johns, Ben Lohrberg, Megan Arseneau, Emily Libertore, Casey Baker, Chris Rayis.

Schedule

1. Nothing at this time. Thank you!

General

1. We will be using the aisles in the house for some blocking.

Scenic

1. The shop is building eight (8) 18x18 boxes with hinged lids that actors will be able to open and store props in.
 - a. They are hoping to be done constructing these by end of day tomorrow (Thursday, June 24, 2021)
 - b. They are currently black, one (1) side of seven (7) of the cubes will be painted to match the upstage wall. One (1) cube will be painted gray instead for the Junior Musical.
2. Ben has discussed a Hercules-style daytime sky design with SJ for the upstage wall.
 - a. Bridgett, Ben, and SJ will confirm this style to determine costume color schemes.

Properties

1. The prop list is in the drive under the props folder
2. Most of the props will be hand-drawn by Bridgett, Sophia, and Marissa and will be attached to either large popsicle sticks or dowel rods.
 - a. The shop may have dowel rods we can use
3. We will be using a few instruments (13" Viola, Rain Stick, and a Thundersheet)
 - a. Mannon will talk to Music about getting a Viola and a Rain Stick
 - b. Theatre may have a thunder sheet for us to use.
4. Both Junior Rep and Junior Musical will be using the chalkboard in Penn Hall. We will likely use a removable cover for our show so we don't overlap the musical's design.

Costumes

1. Nothing at this time. Thank you!

Lights

1. Intermediate Design/Production students will design a few looks and will be running the board during performances.
 - a. We will clarify COVID guidelines as far as being able to add another body backstage.

Rehearsal Update/General Information:
We had an amazing final show!! The kids were very energetic throughout the show and left it all out there. The audience was also very excited, though a little less responsive than yesterday's house. The kids clearly enjoyed their time with this show and came out stronger people and actors.
